

NONNA'S HOME

Nonna's Guest Home is located across the street from a scenic golf course. We have six private rooms and lovely atrium where residents can enjoy Southern California sunshine. We provide classy accommodations, and we also encourage our residents to decorate their rooms to their liking. The home was specifically designed and built for seniors to maximize accessibility and ease of activities like bathing. Attention was paid to details especially to minimize trip hazards and other safety concerns.

My work comes from a passion to provide quality of life for seniors who are a treasure of our families and our community.
